

Last week we sent you some links to packing and gear information you should consider for the World Scout Jamboree this summer (you’ll find some GREAT holiday gift ideas in there). Today’s Flash will dig a little deeper into footwear!

FOOTWEAR

Few things on your Jamboree packing list are more important than SHOES! Sturdy shoes are a firm requirement for the Jamboree site. Not only will you be engaged in lots of fun physical activities, but you will also need to get between locations within the Jamboree site. Read how to have happy feet with Trail Shoes.
